

October 2009 Saxophone Mouthpiece Newsletter

Innovative Accessories

On Display and Transportation

Put your favorite mouthpieces on stage with our new Theo Wanne mouthpiece stands. These beautiful, furniture quality, wood stands hold up to five alto, tenor or baritone saxophone mouthpieces, as well as clarinet mouthpieces.

[More mouthpiece stand info here.](#)

And, when traveling from gig to gig or to home and back, carry your mouthpieces and reeds in our **real leather**, double mouthpiece case. It is eloquent and very functional, attaching to your belt with a clip or belt loops.

Theo Blog

Individual Throat Shape and our Saxophone Sound

Theo writes, "My son used to always have a hard time breathing. The doctors stated that his tonsils and adenoids were the largest they had ever seen in a child, and definitely were impeding his ability to breath."

mouthpiece with a complimentary pressure plate set (\$900 value).

10 Second Prize Winners: New Theo Wanne Enlightened Ligature with pressure plate set.

Music China 2009

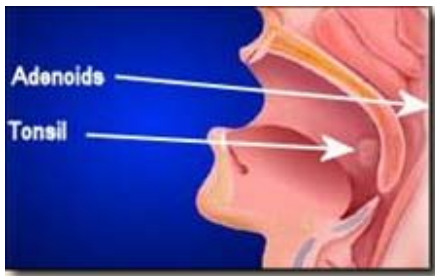

We will not have a booth. But PMS-Hamburg will have a selection of our mouthpieces at the show.

► PMS-Hamburg Booth: Hall E3 E15

We look forward to connecting with our international dealers at the show.

Show Facts

- October 13-16, 2009. (Tues-Friday)
- Venue: Shanghai New International

"I am happy to say my son's breathing has improved dramatically. This was welcome by him greatly, however, another interesting thing happened. The pitch of his normal speaking voice changed."

"In a similar way, each individual's individual throat shape affects the way they sound on their saxophone. In fact,"

Dealers Near You

We want to make trying our mouthpieces as easy as possible.

If a [Theo Wanne Classic Mouthpieces Dealer](#) is not available in your area, please ask your favorite music stores to contact us about joining our family of dealers. Or, pass along their names and we will be happy to contact them.

We are proud to provide our dealers with a web site dedicated to helping them make our mouthpieces available for musicians around the world:

Expo Centre (SNIEC), Pudong Area, Shanghai, China.

- ▶ Organizers: China Music Instrument Association.
- ▶ Partner: NAMM (the International Music Products Association).

- ▶ Biggest annual trade show for music products in Asia.
- ▶ Third largest annual music trade show in the world behind MesseFrankfurt and Winter NAMM in California.
- ▶ Show covers 65000 square meters.
- ▶ Attracted 43,238 attendees in 2008.
- ▶ Over 1000 exhibitors.
